

Driven to perform

We listened to our customers and we've improved our product line with the VSP 70 Vehicle Mounted Thom-Katt® Pump. It delivers the same high-level performance and output as the reliable Thom-Katt® TK 70 on a rugged flatbed-style chassis. It doesn't require a CDL to operate, which means more versatility for your staff and one more way that we're delivering the INDUSTRY'S #1 CUSTOMER EXPERIENCE.
